

## **Green Man Gaming recognised in EMEA's Top 500 fastest-growing companies list**

**London, UK, 15 December 2016** - [Green Man Gaming](#), a global eCommerce technology company in the video games industry, today announced that it has been ranked the number 358th fastest-growing company on the Deloitte 2016 Technology Fast 500 EMEA list, a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences and energy tech companies in Europe, the Middle East and Africa.

The list of winners has been published on the [Deloitte Technology Fast 500 program](#) website.

Green Man Gaming was recognised by the Deloitte Technology Fast 500 EMEA and Fast 50 Technology UK programme last year.

"We're very proud to be ranked in the Deloitte Technology Fast 500 EMEA list once again. The award is recognition for the success that we have achieved around the world, which is underpinned by our continued commitment to our customers, partners and eCommerce technology. As we look forward to 2017 and beyond, we're very excited about the investments we are making to broaden and improve our customer and brand proposition," said Paul Sulyok, CEO and Founder of Green Man Gaming.

### **Notes to Editors**

#### **About Green Man Gaming**

Green Man Gaming is a global eCommerce technology company in the video games industry and the first choice for millions of gamers around the world.

We offer a wide range of games from AAA to indie titles across multiple platforms in 185 countries worldwide. We work with over 450 publishers, developers and distributors to offer our customers a wide range of games at competitive prices. Green Man Gaming also help developers publish their own games and bring them to market, supporting them every step of the way.

Our passion for games and strong community platform provide gamers with access to the latest insights, reviews and updates from the gaming industry. Our vibrant online community also connects gamers and rewards them for in-game activity. This gameplay data allows us to further improve the overall gaming experience. Our objective is to help gamers to connect, play and enjoy immersive gaming experiences.

### **About the Deloitte 2016 Technology Fast 500 EMEA program**

The Deloitte Technology Fast 500™ EMEA program is an objective industry ranking focused on the technology ecosystem. It recognizes technology companies that have achieved the fastest rates of revenue growth in Europe, the Middle East, and Africa (EMEA) during the past four years. The program is supported by the Deloitte Technology Fast 50 initiatives, which rank high-growth technology companies by location or specifically defined geographic area, and are run by the Deloitte Touche Tohmatsu Limited's Technology, Media & Telecommunications (TMT) global industry group. More information on the program and prior year winners is available at [www.deloitte.com/fast500emea](http://www.deloitte.com/fast500emea).

Now in its sixteenth year, the Deloitte Technology Fast 500 EMEA program in 2016 included over 20 countries, including Belgium, France, Finland, Germany, Italy, the Netherlands, Turkey and the UK. This year's winners were selected based on percentage fiscal-year revenue growth from 2012 to 2015. In 2016, Deloitte Technology Fast 500 EMEA companies achieved revenue growth ranging from 212 percent to 28,126 percent from 2012 to 2015, with median growth of 967 percent.
